Mr. [REDACTED]

- 2 -

As for the various publications you have requested, the bulk of the Federal Specifications have now been sent, as well as all of the ASTM pamphlets. A few of the FS's are still "on procurement". Please advise if there are any additional items required.

Catalogues of the various manufacturers will be forwarded either direct from the manufacturers or as received. Since it now appears probable that the sewage ejector pump will be omitted, no catalog on this item will be sent.

A copy of the "Standard Specification For Accident Prevention" is enclosed.

Very truly yours,

[REDACTED]
